GutAid⁺
my goodness

Dairy Relieve relieves symptoms of lactose intolerance and aids in the digestion of proteins (whey protein & casein), fats and carbohydrates.

Dairy Relieve Benefits

- Helps reduce the occurrence of the symptoms of food intolerance
- Relieves abdominal bloating, cramping, and the feeling of fullness
- Helps relieve digestive discomfort
- 100% vegetarian digestive enzymes
- Vegetarian capsules (gelatin free)

Each hard capsule contains:

Tilactase 2500 ALU
Protease 7500 HUT
Amylase 1000 DUAA
Lipase 100 LipU

No added gluten, soy,
or dairy.

Directions For Use:

Take 2 hard capsules with water, immediately before dairy products are consumed.

Warning:

Always read the label.
Follow the directions for use.
If symptoms persist, talk to your health professional.
